

Pedamantra: T&L is about..... I teach because.....

Engaging & inspiring

Students

Inspiring, supporting & empowering

Students

Sharing the love of my subject and inspiring students to learn

Enthusiasing to inspire

Embracing wonder

Creation and developing ideas

Working with students to explore their understanding and skills

Pedamantra: T&L is about..... I teach because.....

Helping students learn and develop

Sharing a source of delight

working in partnership with students to achieve the best they can

Making the world a better place through education

Inspiring students via inspiring colleagues.

knowledge and passion and students

Shaping the future

T&L is about developing people to allow them to achieve their dreams.I teach because I love seeing how my students grow and develop.

helping people become empowered lifelong learners and activists

Pedamantra: T&L is about..... I teach because.....

Developing minds.

Engagement inspire

Helping people realise their potential.

Inspirations and aspiration. It's fun

T&L is about offering students quality, enjoyable and meaningful opportunities to develop their skills and knowledge. I teach because I care about my students and I love my subject.

T & I is about persuasion, empowerment and satisfaction. I teach because it's makes me happy and excited each week.

T&L is about the facilitation of learners' construction of knowledge. I teach because I am passionate in that process.

T&I is about communicating and inspiring. I teach because I live to share my enthusiasm for knowledge and understanding.

T and L is about Growth. I teach because it matters
